Importance: High

Confidential

Dear Counsel:

Pursuant to Paragraph 14 of the May 21, 2022 Temporary Restraining Order, I am seeking consent of counsel for the United States to allow a veterinarian at the Envigo Cumberland, Virginia facility to perform euthanasia on a puppy at the facility. The puppy was born on May 5. It weighs 412 g and is approximately half the size of its littermates. The Attending Veterinarian, Dr. Len Murray, who is board certified in laboratory animal medicine and in preventive veterinarian medicine, started the litter on Albion to treat yellow, watery diarrhea. He also prescribed subcutaneous fluids for this puppy BID. The puppy exhibited reddish-brown tinged vomit this afternoon. Dr. Murray suspects pneumonia and requests permission to euthanize the puppy **ASAP** as an animal welfare measure.

Thank you for your attention to this matter.
